

SCAAIDD Executive Committee
March 27, 2015
Minutes

The Executive Committee met on Friday, March 27th at 11:00 a.m. at SCDDSN and the following people were present: John Hitchman, Terry Schilling, Laura Cooper-Davis, Debbie Walsh, Jay Altman, Sloan Todd, Crystal Wright and Nikki Bramlett. Lois Park Mole participated in the meeting via telephone.

Sloan welcomed everyone and called the meeting to order.

Treasurer's Report: Lois reported that the current balance is \$33,200.68.

The National AAIDD conference is scheduled for June 1st – 3rd and it will be held in Louisville, Kentucky. Crystal checked her schedule and will not be able to attend the conference in Sloan's place. Since Terry Schilling has never attended a National Conference she was asked if she would like to attend to represent the chapter. Terry will check her schedule and let us know.

Terry informed Nikki she will forward the information for the renewal of the Secretary of State registration. It should be sent out sometime in April. The 990 will need to be complete and the \$50 registration fee paid before the renewal is complete. Nikki will complete the paperwork when received and communicate the deadline with Lois so the fee and 990 can be submitted.

Previously there was a discussion on providing training opportunities. The group decided with the training that was going to have to be done with the implementation of Therap that perhaps it would be best to table any discussion of training opportunities at this time.

In Legislative News Lois informed the group that the ABLE legislation was introduced in the house in early March (H3968).

With no further business, the meeting adjourned.

NEXT MEETING: Friday, April 24th
